SUMMARY

Senior Technical Writer & Content Strategist with 4+ years of experience building and managing large-scale documentation ecosystems for U.S. engineering teams. Currently at Uber, where I oversee AI, SaaS, and Enterprise Apps documentation and maintain a 4.72/5 avg. article rating. I specialize in standardizing and scaling enterprise knowledge across platforms like ServiceNow and Confluence.

WORK EXPERIENCE

Uber

Senior Technical Writer

May 2021 – Present
Remote | U.S. team

- Lead day-to-day operations of the IT Knowledge Management team, overseeing 500+ knowledge resources for SaaS, Cloud, and Enterprise applications in partnership with Engineers, App Owners, and Program Managers—maintaining an average article rating of 4.72/5 by prioritizing documentation accuracy, relevance, and governance.
- Launch Uber’s internal GenAI Knowledge Hub across ServiceNow and Confluence, creating 80+ documentation resources for tools like ChatGPT, Gemini, Glean, and Zoom AI, driving 120K+ page visits across Uber’s internal platforms.
- Design, structure, and build 12+ internal documentation microsites in support of business-critical workflows from separate departments (Contract Management, Payments, Global Security, Legal), ensuring alignment with Uber’s documentation guidelines, enterprise data security, and compliance policies.
- Develop and pilot an agentic workflow that analyzed and scored 70+ knowledge articles for AI-readiness, improving user satisfaction with internal AI assistants by 30%; this initiative is now being adopted by other knowledge teams at Uber.
- Architect the content hierarchy and taxonomy tree of Uber’s new central wiki by reviewing, retiring and migrating 800+ resources from dispersed legacy repositories.

BairesDev

Marketing & Communications Assistant

May 2019 - May 2021
Remote | LATAM team

- Lead SEO optimization for 50+ services landing pages, achieving ~80% first-page Google rankings through improved metadata and structure, keyword optimization, and refining copy to match user intent—rather than marketing buzzwords.
- Scale blog content production by 4× (from 8 to 32 articles per month) by designing and executing a content strategy centered on SEO growth of service landing pages, managing external writers, and reviewing strategic alignment of all deliverables.
- Ghostwrite and edit thought leadership content for C-level executives across Forbes Tech Council, LinkedIn, and the company blog, elevating brand voice and increasing follower engagement in their personal profiles by 2.5× on average.

Almerco

Marketing Associate

Dec 2018 - May 2019
Hybrid | Lima, Peru

- Redesign and manage the firm’s WordPress website, improving UX/UI, responsiveness, and content structure by implementing plugins, rewriting copy, and defining page hierarchies—establishing the company’s new digital presence.
- Develop 20+ presentation decks and infographics for client meetings, transforming legal data into accessible visuals that elevated communication and professionalism.

ADDITIONAL EXPERIENCE

Freelance Technical Marketing Writing for U.S. teams in Pro Se Pro, Stateside, and Nearsure (2022–2025), where I:

- Produced weekly SEO-optimized and UX-driven content across legal, SaaS, and outsourcing domains—ranging from long-form educational articles to landing-page copy and product microcopy.
- Collaborated with distributed engineering and marketing teams through short-term, part-time contracts (avg. 10hrs/week).
- Demonstrated ability to collaborate asynchronously with global teams on deadline-driven tasks.
